- **Session 1 enrollment ends Friday May 25th 2020 Promptly at 2PM**
- **Session 2 enrollment ends Friday June 26th 2020 Promptly at 2PM**
- The cost for Summer School is \$300 per course per session.
- If your student needs a full year of any course the total cost will be \$600 (Session 1/Session 2) You must register your student for each session in order for your student to take the full year of any course. Registration in only 1 session will result in your student only completing part of the year of that course.
- Enrollment Once Closed **"WILL NOT"** be reopened for any reason.
- All Course Work is Strictly On-Line. There is no in class time or face to face class time unless your student sets up a virtual ZOOM session with their teacher.
- Most courses are NCAA eligible. ****Please see our course guide at www.edcsd.org for course specific info****.
- Grades received in summer school **WILL** replace whatever grade your student received previously in the course, no exceptions. It is your responsibility to confirm the course you are enrolling in, is the correct course needed for any and all grade replacements.
- eDCSD Online does not check to confirm you have enrolled your student in the correct course needed.
- All Course work is due by 11:59PM on the last day of the session, **no exceptions**. Courses once closed will not be re-opened and your student will not be allowed to submit any late work. Teachers email students during each session when student is falling behind to remind them of work due.
- If you are traveling outside the continental United States during your Summer School session **YOU** Need to check that you will have access to your course in the Country you are traveling to, prior to enrolling in our online summer school courses email tgant@dcsdk12.org to confirm your country can access Canvas where our courses are housed.
- Full Refunds are only authorized within 3 business days of the start of each session. Failure to notify eDCSD Online your desire to drop a course or that you are unable to access your course past the refund deadline will result in a drop/fail for that course.
- Log-in Credentials, orientation and class start information is emailed out the Thursday or Friday **BEFORE** each session begins. Please take time to view the orientation video as it contains vital information. (Session one Friday 5.29.20 and Session 2 Thursday 7.2.20)
- Registration is ****Strictly** limited to "ONLY" 1/one** course per student per session
- You must have prior emailed approval from your schools Administration/Counselor and eDCSD Online to enroll in more than one course per session, any additional enrollments without prior approval will be voided based on which ever course you enrolled in last.

- You are required to complete registration and pay the mandatory \$300 fee per session for summer school for your student prior to the cut off dates and times (above) no exceptions.
- eDCSD Online does not waive the summer school enrollment fee for “Free and Reduced” Students.
- Our Summer school is called "Summer Intensive Semester" because both sessions are an entire 90-hour semester's course condensed into 3 weeks (which require an average of 6 hours per day, each day's work is equivalent to one week of class instruction) You must receive a passing grade (D or higher) in the class in order to receive a .5 semester credit.
- eDCSD Online Summer Courses are offered as enrichment courses, Acceleration Courses with your schools written (emailed) pre-approval or they may be taken for grade replacement with your schools written/emailed pre-approval along with the completed grade replacement form prior to enrollment in the course.
- YOU must Contact the Administration at your current school to confirm their acceptance of any grade replacement prior to enrollment in a course, **AND** complete and submit their "Grade Replacement form", to eDCSD Online prior to enrolling in any course. Failure to request approval for grade replacement may result in your school denying the grade replacement.
- eDCSD Online will then submit this form to your school with your new grade by the end of August for both sessions).
- All Summer School Grades will appear under the Summer School Heading/Section on your student's transcripts. No exceptions.
