

eDCSD offers a different kind of "summer school"

****PLEASE READ THIS ALL THE WAY THROUGH****

We offer 2 sessions

Session 1: (ALL Semester 1 Course Work) runs (June 3rd-21st)

Session 2: (ALL Semester 2 Course Work) runs (July 8th-26th)

Registration/Enrollment for both sessions will begin on Friday, February 8, 2019, Session 1 enrollment ends Friday, May 24th, 2019 Promptly at 2 PM and Session 2 enrollment ends on June Friday 28th promptly at 2 PM

*****Enrollment Once Closed*** "WILL NOT" be reopened for any reason.**

ALL Log-in Credentials and class start information will be emailed out by our Learning Coach the Friday BEFORE the session begins: (for Session one it will be Friday 5.31.19 and for Session 2 it will Friday 7.5.19)

Registration is ****Strictly**** limited to **"ONLY" 1/one** course per student per session (you must have prior approval from your school's Administration and eDCSD to enroll in more than one course per session), any additional enrollments without prior approval will be voided and payment refunded.

You are required to complete registration and pay the fee for summer school for your student prior to the cut-off dates and times (above) no exceptions.

Our Summer school is called "Summer Intensive Semester" because both sessions are an entire 90 hours of semester courses condensed into 3 weeks.

(This will require an average of 6 hours per day, for each day's work, which is equivalent to one week of class instruction per day) Therefore you will not be allowed to register late and start late for any reason.

You must receive a passing grade in your summer school class in order to receive a .5 semester credit. We offer these courses as enrichment courses, Acceleration Courses ****with your schools' approval**** or they may be taken for grade replacement with your schools ****pre-approval****

The grade you receive in summer school WILL replace whatever grade you received previously in the course, no exceptions. ****YOU (not eDCSD) must Contact the Administration at your current school to confirm their acceptance of any grade replacement prior to your enrollment in a course with us, AND you must complete and submit their "Grade Replacement form" to eDCSD and then eDCSD will submit this form back to your school with your new grade by the end of both summer sessions.**

All Summer School Grades will appear under the Summer School Heading/Section on your students' transcripts. Transcripts will not be changed for any reason.

courses are NCAA eligible.
